She was also the Examiner for Advanced Taxation Paper for ATTS. She also sits in the ATTS Examination and Syllabus Committee.

Mr Teo Chua Chin

Member, Examination Board

Mr Teo graduated with a Masters degree in Economics from the National University of Singapore. His research interests lies in the area exploring the feasibility of monetary integration for the countries in East Asia.

Mr Teo is the examiner for local and overseas universities' papers. He has also conducted Economics seminars for professionals outside the financial industry. He has taught Economics at the diploma and degree levels. Programmes taught include the SIM University Diploma in Management Studies, Curtin University of Technology, Queensland University, National University of Singapore and the University of London Degrees.

Mr Teo has been teaching the UOL International programmes since 2002. Many of his UOL students have since graduated with a first class honours degree.

Ms Laksha Mehta *FCCA, CA (Singapore), MBA*

Member, Examination Board

Ms Laksha Mehta has about fifteen years of extensive experience working in areas of Financial and Management Accounting. She has held various management roles ranging from Senior Financial Analyst, Head of Strategic Innovation & Cost Audit and Assistant Director of Finance before embarking to SAA-GE as Programme Director, Professional Programme.

She has worked in one of the largest Shipping and transportation company listed on the Singapore Exchange (SGX) which provided vast experience to hone her financial and management skills. She had opportunities to work with Mckinsey and Morgan Stanley teams in improving and enhancing business processes. Through her hard work, she was promoted to Head of Strategic Innovation and Cost Audit, reporting to the President of Shipping unit, advising on financial, statutory and regulatory matters. Later she embarked her career in a Statutory Board where she took on the role of Assistant Director (Finance).

Ms Laksha is a passionate educator and has taught professional programme since 2007. Her teaching style has enabled her students to understand the difficult concepts easily. Many of her ACCA students have passed their papers at their first attempt.
